Orazio, Epistole

Porrini Group Srl It is a young and dynamic company that produces and sells pet care and hygiene products and grooming equipment. We produce under our own brand and for third parties. **wet wipes**, wet gloves, **100% vegetable litter** and biodegradable, mineral cat litters, deodorants and detergents for cleaning environments.

We distribute the brand in Italy . We have a sales network in Italy with 17 employees who manage sales to pet shops, groomers, large chains, veterinarians, and breeders.

We regularly export to major European countries, the Middle East, and South Korea. We are present at major trade fairs such as Interzoo and Zoomark.

We develop, produce and distribute high quality products to make our beautiful, clean, fragrant and happy four-legged friends.

We have been certified since 2024 **ISO9001** and **ISO22716**.

BEAUTY&CARE

Mirabilis C4

Thanks to advanced technology, when light hits the fur, the special molecules present in the Mullein extract absorb the energy and transform it into a new light emission, creating the "magic" of Luminescence. The intelligent optical filter captures invisible UV light and converts it into a visible and natural glow, making the dog or cat's coat more radiant and healthy without weighing it down.

Silky Glow Coat Mist

Multipurpose spray action

EFFECT: Balanced shine without volatile oils or silicones.
Antistatic/anti-frizz.
It facilitates brushing and does not alter the volume.
It conditions, keeps the coat silky without weighing it down.
It protects against damage caused by ultraviolet light.
Heat protector protects from hair dryers and blowers.
Makes drying easier.

USE: On dogs and cats, coats of all kinds.

HIGHLIGHTED INGREDIENTS: Mullein.

INSTRUCTIONS FOR USE: Spray on wet or dry hair. Massage for 30-40 seconds. Comb through. Do not rinse.

SENSORY EXPERIENCE: pleasant and fresh thanks to the lightness and a delicate violet scent.

PAIRING WITH: Petshine shampoo line.

With 3-4 stage filter

Captures hair and holds it 99.97% of particles

up to 0.3 microns e.g.: bacteria, smoke, mold, viruses, etc.

★ **ily Cost 0,60€**

★ cost calculated for using XPOWER X-2380 / 2580 at maximum power for 8 hours based on average electricity supply rates in Italy.

Adjustable Speed Filter cleaning alert light

Result after 1 day of Work

Result after 4 days of Work

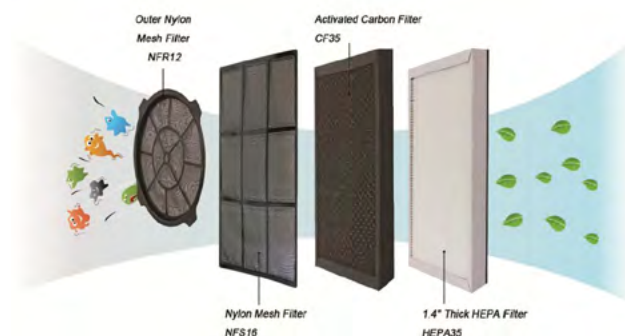

XPower

The XPOWER X-2380 / 2580 offers a highly effective 3 or 4 filter filtration system that can clean surfaces up to 100 m². This filtration system cleans the air of pollutants and harmful substances such as dander, hair, pet allergens, mold, and bacteria. You will enjoy a fresh, clean environment free of substances that can contribute to the aggravation of conditions such as asthma, allergies, respiratory congestion, and other lung diseases.

REF.: 3 FILTRI - Weight 14,9KG **X2380**

REF.: 4 FILTRI - Weight 15,2KG **X2580**

With a power consumption of just 220W, the X-2380/2580 offers maximum efficiency and economy. All filters are washable and reusable. The two external nylon mesh filters effectively capture 90% of medium and large impurities. The remaining filtration takes place with a specially designed purification filter with a rough surface for maximum contaminant control. An indicator reminds you when it's time to clean the internal filters.

FULLY WASHABLE FILTERS

All filters are washable and reusable.

2.04 Ozone Generators

XPOWER's Axail Fan Air Mover features a 5000 mg/hour ozone generator and a brushless DC motor for maximum energy efficiency and powerful airflow.

Axail Fan

Axail Fan is perfect for sanitizing and deodorizing medium-to-large areas and grooming salons. It will eliminate even the strongest odors caused by mold, humidity, and animals. Equipped with an Always-On setting, a 3-hour timer, a separate on/off switch for the ozone generator, and an ozone indicator light for safety. With the ability to turn off the ozone generator independently, this unit can be used as a standard air blower for cooling, ventilation, and drying.
